**MISSION VALLEY BANK OPENS NEW OFFICE IN CENTRE POINTE AREA**

Santa Clarita, California... Tamara Gurney, President and CEO of Mission Valley Bank, announced today that the Bank has officially opened its new, full service banking office in the Centre Pointe area of the Santa Clarita Valley. “We are excited about the location of this new branch and believe this site to be extremely convenient for our clients and the community. Centrally located in the heart of Santa Clarita, the relatively new Centre Pointe business park offers significantly less congestion than other areas – yet is very easy to get to. This newest branch allows us to provide yet another convenient location to serve our clients throughout the Santa Clarita Valley.” Mission Valley Bank’s new Centre Pointe office is located at 26415 Carl Boyer Drive in Santa Clarita (at the corner of Center Pointe Parkway and Carl Boyer Drive – just west of Golden Valley Road).

Mission Valley Bank’s newest office is being run by an outstanding team of long-time Valley residents: Marti Heinbaugh, Vice President & Manager, Pat McMillian, Vice President & Operations Manager and Rhonda Pinuelas, Vice President and Business Banking Officer. All three share a true commitment to the Santa Clarita Valley, having worked and lived here for a number of years. Marti, Pat & Rhonda understand the area business community and are eager to introduce new clients to Mission Valley Bank’s unique style of personal service banking.

In making the announcement, Ms. Gurney stated, “We have drawn together a truly outstanding team of banking professionals to serve this growing area and we are all very excited about opening our doors at this beautiful new location. We welcome you to stop by, have a cup of coffee with our team and ‘feel the difference’ -- Mission Valley Bank is truly unlike any other business bank you have dealt with...our mission is your success.

Once again named a *Premier Performing Bank* by the highly regarded Findley Reports, Mission Valley Bank is a full-service, independent, commercial bank with offices currently in Centre Point, Valencia and Sun Valley. Opened in 2001, Mission Valley Bank currently has assets in excess of \$200,000,000.
