Tamara Gurney, President & CEO of MVB stated, “The philosophy of Mission Valley Bank is to be a financial partner with each of our clients, providing them with a great deal more than outstanding banking services. Vladimir’s expertise in the growth and development of small to mid sized businesses further strengthens our Bank’s ability to truly propel the development of our client’s businesses.” Gurney continued, “We understand that our clients have almost limitless choices when it comes to selecting a financial institution. Our commitment to developing a partnership with each client enables us to provide something that cannot be found at any other bank. We do not just talk about relationship banking, we create it. Vladimir is a welcome addition to our outstanding team of relationship bankers.”

Headquartered in Sun Valley, California, Mission Valley Bank was established in 2001 and has grown to more than \$140 million in assets with 2 branch locations.
